

Range 4: Low Level Side Discharge Silo

We provide a range of chute silos for filling tractor and loader buckets, wheelbarrows and small trailers.

Our silos are of a sturdy, high-quality, fully-galvanised steel construction with a low-maintenance lifespan of 30+ years when correctly cared for. They all have smooth walls, ensuring good flow of feed without the trapping effect of corrugated sections.

Features:

- ✓ 5.8 – 33.5 tonnes (pellets)
- ✓ Fully galvanised
- ✓ Heavy duty support structure
- ✓ Filler pipe (100mm)
- ✓ Exhaust pipe (150mm)
- ✓ 60-degree cone
- ✓ Smooth wall
- ✓ Level indication windows
- ✓ Cone inspection door
- ✓ 200mm (8") diameter projecting chute
- ✓ Auto moist air vent.

Optional extras:

- ✓ Colour coded
- ✓ Extra height

Delivery:

Silos are delivered nationwide, tipped upright and secured to the ground using our specialized transport. No customer assembly is required, just a concrete base.
